

FALL 2017

RECREATIONAL NEWSLETTER

We hope you are enjoying the Fall session of Gymnastics

Driver Responsibility: Please pick your children up in a timely fashion. It is very important for the safety of all in the gym that the coaches are aware at all times of who is in the gym.

Parents must come into the building with the gymnast when dropping them off and Gymnasts must remain inside the gym until their parents have come into the building to get them.

The HANDICAP parking is for those with permits ONLY and should not be used for a drop off or 5-minute loading area.

Remove Footwear: Please help us in keeping the gym clean and remove outdoor footwear at the entrance to the gym lobby.

Communication: **We like to communicate with our members via email with important information whenever possible. Please make sure to add aerals@sasktel.net to your contact list to make sure you receive information or check your junk mail. Please notify the gym office or go to your online account regarding any changes to your information, such as phone number, mailing address, email address, etc.

If dropping off fees, money or deposits and the office is closed: please make sure it is in a clearly marked envelope with yours and your athletes name on it (put the envelope in a zip lock bag is there is a lot of coin) and get the name of the supervising coach that you give it to or put it through the brass mail slot on the first office door past the boot rack.
